Code Of Behaviour

Parents / Spectators

All adults present at club events are expected to demonstrate behavior that enhances the image of the Football Club and provides a good model for young people.

- Demonstrate support for all club policies and codes.
- Encourage young people to participate. Do not force them.
- Avoid using foul or derogatory language.
- Don't ridicule players. Focus on the positives.
- Support coaches, umpires and club officials. Without them your child could not participate.

Should you have concerns or grievances please contact the Junior Club President. If matters are not resolved then submit issues in writing to the Junior Committee.

Players

- Play by the rules.
- Leave the umpiring to the umpire. Never waste time and energy disputing a decision. Show umpires respect. Remember that many are volunteers, who are simply keen to help out. Without them you would not have a game.
- Control your temper. Physical or verbal abuse directed towards officials and players is not acceptable.
- Respect and cooperate with your coach, other club officials and your team mates. Without them there would be no competition.
- Football is a team game. Always put the team first. Work selflessly for your team mates and your club.

Coaches

- Demonstrate support for all club policies and codes.
- Be reasonable in your demands on players time, energy and enthusiasm.
- Encourage other adults to participate in roles such as team manager, umpires etc.
- Encourage players to abide by the appropriate codes of behavior.
- Submit any issues and concerns to the junior committee.
