Playing field and playing positions

The Club Song (to the tune of "The Road to Gundagai")

Are we plumb, are we pud
 Are we any bloody (jolly) good?
 We are the Onkas dinky di.

In any kind of weather
 As long as we're together
 We'll fight until we die

You can stick the old Uniteds
 And all the bloody (jolly) rest
 'cause if you want the champions
 Then the Onkas are the best

Are we plumb are we pud
 Are we any bloody (jolly) good
 We are the Okas – Dinky di
